ABOUT THE SITE

LyondellBasell's Houston Refinery is located at the city limits of Houston and Pasadena on the Texas Gulf Coast. The facility was one of the first petroleum refineries constructed on the Houston Ship Channel and has access to interstate pipelines and the Port of Houston.

ECONOMIC IMPACT

\$811 million

Estimate includes yearly total for goods and services purchased and employee pay and benefits, excluding raw materials purchased (basis 2018)

COMMUNITY ENGAGEMENT

LyondellBasell is committed to being a responsible, good neighbor in the communities where we operate. The Houston Refinery supports the community by participating in projects such as an elementary school pen pal program and a high school occupational skills mentoring program.

ABOUT LYONDELLBASELL

LyondellBasell (NYSE: LYB) is one of the largest plastics, chemicals and refining companies in the world. Driven by its employees around the globe, LyondellBasell produces materials and products that are key to advancing solutions to modern challenges like enhancing food safety through lightweight and flexible packaging, protecting the purity of water supplies through stronger and more versatile pipes, improving the safety, comfort and fuel efficiency of many of the cars and trucks on the road, and ensuring the safe and effective functionality in electronics and appliances. LyondellBasell sells products into more than 100 countries and is the world's largest producer of polymer compounds and the largest licensor of polyolefin technologies. In 2019, LyondellBasell was named to Fortune magazine's list of the "World's Most Admired Companies." More information about LyondellBasell can be found at www.LyondellBasell.com.
